## **WORLD HABITAT DAY**

The United Nations designated the first Monday of October of every year as World Habitat Day. The idea is to reflect on the state of our towns & cities and the basic right of all to adequate shelter. Each year, World Habitat Day takes on a new theme chosen by the United Nations based on current issues relevant to the Habitat agenda. The themes are selected to bring attention to UN-Habitat's focal areas, such as: A safe and healthy living environment for all, Promotion, protection and restoration of green urban spaces, Improved urban planning and slum upgrading, Housing and social services, Affordable and sustainable transport and energy, Safe and clean drinking water and sanitation, Healthy air quality, and better waste management.
