

## **International Society of Automation (ISA) Orientation**

**Date:** 16 July, 2024

**Planned & Organised by:** GCET

During the Club Orientation Program at GCET Auditorium for 1st-year students, a comprehensive Introduction to “International Society of Automation” (ISA) was provided. Dhyey Shah, the President, and Yash Patel, the Membership Chair, presented detailed information about GCET ISA Student Section.

During the orientation program, newly joined students were informed about ISA's journey, including its origins as the International Society of Automation and details about the ISA – GCET Student Section. They learned about ISA's operations, its purpose, and were provided with insights into previously organised technical and non-technical events by ISA.

The introduction highlighted ISA's flagship event, IGNITE, emphasising its significance as ISA's primary event. Additionally, students were briefed on the last event organised by the current team of ISA, which was INVOKE. They were also informed about the various benefits of joining ISA, such as opportunities for skill enhancement, participation in events, development of leadership abilities, and networking with peers and industry professionals.

#### Conclusion:

The event successfully ignited interest and enthusiasm among the students, setting a positive tone for their involvement in ISA.
